

<b>Name:</b>		<b>Project Group (Name/Number): 4CodeGirls</b>				
This activity log is for you to document your individual contributions and ideas you have done towards your final group project. This will be submitted to your instructors along with your project code. You can document how many minutes you spent working on your code, when you had team meetings outside of the class sessions, or use this as a way to take notes for your own viewing. This is to be completed <b>individually</b> .
